

Quality Policy

The primary objective of the company is to provide all its local and international clients, with services of consistent quality that systematically meet their needs and requirements. Also, to strive for continuous improvement of service offering, in order to maximize the benefit and satisfaction of clients.

For the achievement of this objective, the company's management is committed to:

- a. Continuous quality improvement of the company operating systems, processes, procedures and means employed.*
- b. Firm monitoring and control of processes and services offered, as means of ensuring the achievement of quality objectives set and the strict observance of this Quality Policy.*
- c. Systematic monitoring and early identification of clients' changing needs and requirements.*
- d. Appointment of experienced and capable personnel for the performance of work affecting the quality of service offered.*
- e. Application of necessary corrective and or preventive actions, to ensure the Company's effective operation of the ISO 9001:2015 Quality Management Systems.*
